Music for the Soul Dec. 18th at 4pm

The Camarata Brass Ensemble will perform a free concert at Mall of America, Sunday December 18, 2011 at 4:00pm in the Mall rotunda. This is an opportunity to learn more about Hospice of the Twin Cities and its Holiday Lights & Limo Program.

Donate GiveMN - Lights and Limos

Special Night and Cherished Memories

The hardship of a last holiday for Hospice of the Twin Cities (HOTC)* clients is transformed to a joyous experience by participating in Holiday Lights & Limos, and opportunity to tour the local holiday lights with loved ones. Now in its fourth year, this award winning program has provided over 500 rides with the support of donated transportation services and hundreds of volunteer hours. Holiday Lights & Limos is the inspired creation of Diane Hallock, whose mother, a HOTC client, enjoyed their annual tradition of viewing holiday lights. This year we anticipate that 200 rides will be provided, making for cherished family memories.

In the words of family members participating with their loved ones:

- "It was the first time in over 9 months that Dad was able to get out. Thank you so much, we cannot express how wonderful this was for us."
- "We will remember the togetherness, laughs and memories. We greatly appreciate the opportunity to receive this gift."
- "This experience was very rewarding. We will always remember how special it was for our Uncle."

Many Thanks to Lights & Limos Volunteers & Supporters!

Over 100 volunteers and dozens of HOTC staff members are contributing their time and talents to make this year's program possible. The program has also received contributions from Allianz, Trader Joe's and the International Brotherhood of Electrical Workers (I.B.E.W.). All rides for the program are donated by All Day/All Night Limousine, Carey Limousine, City View Limousine, Transit Team has donated the wheelchair-adapted buses.

**Hospice of the Twin Cities (HOTC) is a wholly owned subsidiary of the Minnesota Visiting Nurse Agency (MVNA).*
